User Manual for GSA Agents

Step -1 Open the home page <u>www.irctc.co.in</u> for login

Step -2 Master/Sub User login: - Enter your new IRCTC user-ID, new password, CAPTCHA text and then click on LOGIN button to open Plan My Travel page.

Step -3 Enter journey details - from & to Station, Journey Date, Ticket type and click on submit button to open the train list with options to check class-wise & quota-wise seat availability.

Step -4 After Train list is shown, then select the particular train, class, quota in which e-ticket is to be booked.

Step-5 Click the button **"Book now"** to open Passenger Details entry page to fill the passenger details, berth preferences, concession required, ID card details (if required) and passenger mobile no.

Step – 6 Click the "Next" button to confirm and go to Passenger Confirmation page. Click "Replan" button to go back to Plan My Travel page (if any changes required in journey plan).

Step-7 Enter the RDS **"Transaction Password"** for making payment to book the ticket (maximum attempts for entering wrong transaction password is 3 times, beyond 3rd attempt RDS account will be temporary locked).

Back Make Payment Replan

Step-7.1 After entering the wrong RDS Transaction Password third time, below error message is shown (only after resetting the RDS transaction password of logged-in sub-user by master user, RDS transaction of sub-user can be continued. However, in case of master user, the same can reset by logging into Agent Interface Application with master user login ID & password and visiting Reset Txn Password option under PASSWORD MANAGEMENT menu).

Step-8 After entering the correct RDS Transaction Password e-ticket is booked.

Step-9 Click the "Print ERS (English)" to print the e-ticket in English.
